# EXHIBITORS

LISTED ALPHABETICALLY

## **A Taste of Louisiana**

**Booth #13 - (334) 435-2989**

A Taste of Louisiana serves a combination of Cajun and Creole dishes via its mobile food truck. Louisiana's cuisine has diverse culinary influences, which include the French, Spanish, Portuguese, African, German and Native American cooking. They put their love and soul into every dish that they prepare and hope that the experience of eating their food is amazing. They attempt to spread the love by traveling to a multitude of events throughout the Wiregrass area including festivals, schools, businesses, private events, neighborhood's, etc. Just to see the satisfying expressions of those who try the food gives the owner's heart joy. A Taste of Louisiana appreciates the positive feedback and the many invites to events that it receives on a weekly basis. They look forward to this new year and the opportunities that it will bring. Their goal is to branch out soon and expand A Taste of Louisiana. Make sure to follow them on Facebook for their weekly locations. They's also like to thank the Wiregrass family for all of its support, and remember, "Nothing- not a conversation, not a handshake or eve a huge establishes friendship so forcefully as eating together."

## **All in Credit Union**

**Booth #38 - (334) 671-1890**

All in Credit Union is a full-service financial institution with \$2.2 billion in assets. The bank provides personalized financial solutions to more than 144,000 members across southeast Alabama, Florida's Emerald Coast and the Mobile Bay area. All in Credit Union was founded in 1966 as Army Aviation Center Federal Credit Union. It began with seven servicemen who understood that soldiers and their families needed access to low-cost financial services while stationed at Fort Rucker. The name was changed to All in Credit Union in 2019. They chose the name 'All in' as a tribute to the commitment and sacrifice made by every soldier who defends our country and knows what it means to be 'All in.' They offer a wide range of financial products and services including savings and checking accounts, credit cards, personal loans and business loans. They are committed to enriching the lives their members and communities through exceptional service and value. All in Credit Union has five branch locations in Dothan, Alabama, more than 15 locations throughout the Wiregrass and 27 branch locations to serve you. To learn more, visit [www.allincu.com](http://www.allincu.com).

## **Barberitos - A Southwestern Grille & Cantina**

**Booth #46 - (334) 446-6450**

Barberitos Dothan is locally-owned and operated. Barberitos is a fresh, fast service restaurant serving you farm fresh ingredients in everything from burritos, tacos, quesadillas, salads, nachos and three made inhouse salsas. Barberitos makes all of its delicious food right in front of you just the way you want it, they make it fresh and you make it yours. Everything from the hand-smashed guacamole to its marinades are made inhouse. While the concept is quick-serve, that speed is only possible because Barberitos puts so much time in before you walk through its doors. They have no intention of ever changing that because Barberitos' mission is to serve the freshest, tastiest burritos, tacos, quesadillas, nachos and salads known to man. That takes hard work, patience and absolutely no compromises, because you and your taste buds deserve it.

### **Center For Vein Restoration**

**Booth #42 – (334) 446-1693**

Center for Vein Restoration is the nation's largest physician-led vein care provider. They will celebrate 15 years in 2022 and since 2007, they have provided safe, personalized, nearly pain-free solutions to eliminate unsightly and uncomfortable veins, making them the nation's leader in the treatment of chronic venous insufficiency. Chronic venous insufficiency, also known as vein disease, is an exceedingly common yet frequently underdiagnosed and undertreated disorder. The condition affects one in four Americans, causing leg pain and swelling, feelings of heaviness and itchiness in the legs and ankles, enlarged varicose, skin discoloration and texture changes. In advanced cases, vein disease can lead to ulcers, immobility and decreased quality of life. They invite you to stop by their booth with your questions. They are happy to discuss your vein health concerns and offer the friendly, professional guidance that has made them #1. Online scheduling is available, visit [www.centerforvein.com](http://www.centerforvein.com) or call (334) 446-1693 for more information or to schedule an appointment. All Veins, All the Time ... because they care.

**Booth #31 – (800) 239-0005**

The Liberty Learning Foundation, Alabama's civic education nonprofit, was founded in 2010 to bring lessons of "civic character and civic responsibility" to students throughout Alabama. Its exciting programs are designed to teach, inspire and empower students to engage in areas of civic responsibility, personal character, financial literacy and career skills/exploration. By reaching students at key development stages, their repeat-and-reinforce model of programs helps ensure every student is prepared to lead their lives as productive citizens, workers and leaders. Dothan City Schools participates in all four Liberty Learning programs, and the middle and high school programs offer unique opportunities for the community to help students succeed. To that end, they are seeking community volunteers/mentors to help students plan and execute middle school service learning projects and to assist in high school classrooms as needed. Volunteers supporting the high school program can help in such ways as providing resume/job application guidance, experiential opportunities and career development grants – to name a few. Visit Liberty Learning's booth to find out how you can help them empower Dothan area children to become the engaged citizens who propel our community and region forward for decades to come.
